Bakery and cafe on the route, about 0.5 mi before Fort Chambly. Sandwiches and pastries. Replaces Fourquet Fourchette, which has closed.

ROAD & SURFACE

Quiet Lake Shore Rd to Rouses Point, then flat paved Route 223 along the Richelieu to Saint-Jean. The Chambly Canal path is a mix of asphalt and fine gravel. OpenStreetMap has no mapped path for about 4 mi in the middle, so the GPX uses Rue Jean-Talon (Route 223) right beside the canal there; if the towpath is open on the ground, ride it. After that it's bike paths and street bike lanes through Chambly, Saint-Hubert and Longueuil, then the Jacques-Cartier Bridge bike path.

IF THINGS GO WRONG

Amtrak Adirondack at Rouses Point (mile 29.0): the last station where carry-on bikes are accepted. In Quebec, exo buses serve Saint-Jean to Montréal (check bike rules); Longueuil–Université-de-Sherbrooke Metro (Yellow Line) is on the route at mile 79.2, and bikes are allowed outside weekday rush hours.
